### Orders in Council

#### Order in Council establishing Tariff Treatment on towels, towelling, etc.

P.C. 3666

AT THE GOVERNMENT HOUSE AT OTTAWA

THURSDAY, the 29th day of August, 1946.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas imports under Tariff Items 540 (a) and 540 (b), the Items covering woven fabrics, in the web, sheets, pillow cases, table cloths, napkins, towels and handkerchiefs wholly of flax or hemp but not including towels or glass cloths of crash or huck nor table cloths and napkins of crash are exempt from customs duty under the British Preferential Tariff;

And whereas imports under Tariff Item 540 (c), the Item covering:

"Towelling and glass cloth of crash or huck, with or without lettering or monograms woven in, table cloths and napkins of crash with coloured borders, in the web, wholly of flax or hemp; woven fabrics, in the web, composed in part of flax or hemp, not containing silk, synthetic textile fibres or filaments, nor wool."

are subject to customs duty under the British Preferential Tariff at rates of  $22\frac{1}{2}$  p.c. ad valorem and 3 cents per pound, less a discount of 50 p.c.;

And whereas imports under Tariff Item 540 (d), the Item covering:

"Towels and glass cloths of crash or huck, with or without lettering or monograms woven in, table cloths and napkins of crash with coloured borders, wholly or in part of flax or hemp, not containing silk, synthetic textile fibres or filaments, nor wool."

are subject to customs duty under the British Preferential Tariff at rates of 25 p.c. ad valorem and 3 cents per pound, less a discount of 50 p.c.;

And whereas Order in Council P.C. 1880, of March 9, 1945, eliminated the British Preferential Tariff on the goods described in Tariff Items 540 (c) and 540 (d) during the period March 1, 1943 to February 29, 1944, that Order in Council P.C. 721 of February 7, 1944, continued duty free entry of these goods until December 31, 1944, that Order in Council P.C. 9342, of December 15, 1944, extended this tariff concession until December 31, 1945, and that P.C. 7388 of December 21, 1945, further extended this tariff concession until September 30, 1946;

And whereas the Acting Minister of Finance reports that there is still a shortage in Canada of towels, towelling, table cloths and napkins and the elimination of the British Preferential Tariff on imports of the goods specified in Tariff Items 540 (c) and 540 (d) for a further temporary period would aid in relieving the existing shortage and at the same time substantially reduce the amount of subsidy that would otherwise be payable on imports of such goods;

Now, therefore, His Excellency the Governor General in Council, on the recommendation of the Acting Minister of Finance and under the authority of the National Emergency Transitional Powers Act, 1945, is pleased to order and doth hereby order

that imports of the goods specified in Tariff Items 540 (c) and 540 (d) of Schedule "A" of the Customs Tariff be exempt from duties of customs when originating in and imported from countries the products of which are entitled to British Preferential Tariff treatment during the period October 1, 1946 to March 31, 1947.

*Asst. Clerk of the Privy Council.*

**Order in Council exempting imports of fresh lobster from Customs duty for period September 1, 1946 to February 15, 1947**

P.C. 3667

AT THE GOVERNMENT HOUSE AT OTTAWA

THURSDAY, the 29th day of August, 1946.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas fresh lobsters, being the products of the fisheries of Newfoundland, may be imported into Canada free of customs duty;

And whereas imports of fresh lobsters (other than from Newfoundland) are dutiable as "all other articles the produce of the fisheries, n.o.p." at the rate of 15 p.c. under the British Preferential Tariff, 20 p.c. under the Intermediate Tariff and 25 p.c. under the General Tariff;

And whereas during the autumn season Canadian fish dealers on the Atlantic coast purchase lobsters caught in United States waters and export these lobsters in carload lots to the United States, which country admits fresh lobsters duty free;

And whereas Order in Council P.C. 6326 of October 2, 1945, exempted imports of fresh lobsters from customs duty during the period September 15, 1945 to February 15, 1946;

And whereas the Acting Minister of Finance represents that it would be in the best interests of the Canadian fish industry if imports of fresh lobsters were exempted from customs duty during the period September 1, 1946, to February 15, 1947.

Now, therefore, His Excellency the Governor General in Council, on the recommendation of the Acting Minister of Finance and under the authority of the National Emergency Transitional Powers Act, 1945, is pleased to order and doth hereby order that imports of fresh lobsters be exempt from customs duty during the period September 1, 1946 to February 15, 1947.

# The Dependents Transportation Regulations 1946

P.C. 4044

AT THE GOVERNMENT HOUSE AT OTTAWA

THURSDAY, the 26th day of September, 1946.

PRESENTS

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas under the provisions of Order in Council P.C. 6422 of 12th August, 1944, as amended by Order in Council P.C. 7278 of 11th December, 1945, and further under the provisions of Order in Council P.S. 64/505 of 24th January, 1945, wives and other dependents of members and former members of the Naval, Military and Air Forces of Canada are brought to Canada at the expense of the Government of Canada by the Department of National Defence;

And whereas with the repatriation of Military personnel almost complete and the consequent reductions in overseas staffs, it is considered that the Department of National Defence cannot continue to administer the functions required by the aforesaid Orders in Council beyond 30th November, 1946, and, that after such date the Immigration Branch of the Department of Mines and Resources should assume responsibility therefor, but that the cost in connection therewith remain a charge against the Department of National Defence;

Therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of National Defence (concurred in by the Minister of National Defence for Naval Services, the Minister of National Defence for Air and the Acting Minister of Mines and Resources) and under the powers conferred by the National Emergency Transitional Powers Act, 1945, is pleased to order as follows:

1. Orders in Council P.C. 6422 dated 12th August, 1944, P.C. 7278 dated 11th December, 1945, and P.C. 64/505 dated 24th January, 1945, are hereby revoked.
2. The regulations hereto attached, entitled "Dependents Transportation Regulations 1946" are hereby made and established.
3. The Minister of National Defence shall be responsible for the administration of the said regulations up to the first day of December, 1946, after which the responsibility for their administration shall rest with the Minister of Mines and Resources; the costs in connection therewith, however, to remain a charge to the Department of National Defence.

ORDERS IN COUNCIL

Erratum: *Statutory Orders and Regulations*, 1946, Vol. IV, No. 1, page 3—Order in Council, P.C. 3666, 4th paragraph should read "... Order in Council P.C. 1880 of March 9, 1943 ...".

**Order in Council covering agreement with the British Columbia Fruit Board re disposal of apples, 1946 crop**

P.C. 4007

AT THE GOVERNMENT HOUSE AT OTTAWA

THURSDAY, the 3rd day of October, 1946.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas by various Orders in Council (the last being P.C. 4767, 19th July 1945) agreements were approved with the British Columbia Fruit Board with respect to the marketing of apples grown in the Okanagan Valley of the Province of British Columbia in the years 1939 to 1945 inclusive;

And whereas the Minister of Agriculture reports that the current shortage of packing materials threatens to compel some marketing of apples unpacked, and makes desirable some provision for priority for an undertaking by the British Columbia Fruit Board to pack and deliver a quantity in excess of one-quarter of total 1946 crop to the Special Products Board for the United Kingdom Ministry of Food; and

That it is estimated, on the basis of the quantity of apples likely to be subject to the provisions of Clause 3 of the Agreement, the sum of \$100,000 may be required after October 1, 1946;

Now, therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Agriculture and under the authority of the National Emergency Transitional Powers Act, 1945, is hereby pleased to approve the Agreement in the form hereto attached and to authorize execution thereof by the Minister of Agriculture.

A. D. P. HEENEY,  
*Clerk of the Privy Council.*

MEMORANDUM OF AGREEMENT entered into this \_\_\_\_\_ day  
of \_\_\_\_\_, A.D., 1946.

BETWEEN:

British Columbia Fruit Board, a body politic under the Natural Products Marketing (British Columbia) Act and having its head office in the City of Kelowna, in the Province of British Columbia, hereinafter called the "Board"

OF THE FIRST PART

— and —

His Majesty, the King, in right of Canada and herein represented by the Honourable the Minister of Agriculture, hereinafter called the "Minister"

OF THE SECOND PART

Whereas the current shortage of packing materials threatens to compel some marketing of apples unpacked, and may hamper the undertaking of the Board to pack and deliver a quantity in excess of one-quarter of total crop to the Special Products Board for the United Kingdom Ministry of Food;

And whereas the Minister has been authorized under the National Emergency Transitional Powers Act to enter into an Agreement to facilitate the aforesaid undertaking to deliver apples to the United Kingdom Ministry of Food, and to safeguard the growers in part against losses which otherwise seem inevitable;

Now therefore in consideration of these presents the parties hereto covenant and agree to each with the other as follows:

1. (a) "Apples" means apples grown in the Okanagan Valley in the year 1946;  
 (b) "Okanagan Valley" means that part of the Province of British Columbia lying east of the 121st meridian of west longitude and south of the 51st parallel of north latitude.
2. The Board covenants and agrees—
  - (a) to give priority to the requirements of the United Kingdom Ministry of Food for apples of varieties and sizes specified by the Special Products Board;
  - (b) that the United Kingdom requirements shall enjoy priority over all other export sales as regards the use of packages and packing materials;
  - (c) to receive for the account of the growers or growers' agents all moneys paid by the Minister for apples under the terms of this Agreement;
  - (d) to conduct a pool for the distribution of all moneys paid by the Minister together with all moneys received from sales of apples and after deducting all necessary and proper disbursements and expenses and such compensation as may be determined by the Board for apples excluded from marketing, to make payment to the growers or the growers' agents in accordance with a scheme of distribution determined by the Board which shall be on the basis of like returns for apples of the same variety, grade, size, marketability and packing costs;
  - (e) to maintain detailed records of all sales of apples and all moneys received therefor together with such supporting vouchers as may be necessary for the purposes of any audit which may be required.

3. The Minister agrees to assist the sale of unpackaged apples by paying to the Board one-half of the amount by which the f.o.b. value of sales by the Board of unpackaged apples in Western Canada (Port Arthur and west thereof) totals less than an average of \$50 per ton or \$1 per box of bulk apples on the basis of 40 pounds being the average net weight of a box of unwrapped pack; provided however that the total sum payable under this clause shall not exceed \$100,000.

4. Notwithstanding anything contained in Clause 3 hereof, if the Board fails to follow any instructions given by the Minister under this Agreement as to the marketing of apples or if there is any unreasonable failure on the part of the Board to further the purposes of this Agreement, the Minister may penalize the Board by reducing the basing price under Clause 3 hereof by such amounts as he deems fair and just.

In witness whereof the parties hereto have hereunto set their hands and seals.

And whereas the powers and authority vested in the Board under the attached regulations which are similar to those approved in previous years are essential to enable the Board properly to perform its obligations and otherwise to comply with the provisions of the said Agreement;

Now, therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Agriculture and under the authority of the National Emergency Transitional Powers Act, 1945, is pleased to make the regulations hereto attached, and they are hereby made and established accordingly.

ORDER No. 659

**Emergency Housing Accommodations Provided by the Municipal Corporation of the City of Toronto**

The Municipal Corporation of the City of Toronto has made arrangements for the public welfare of its citizens and particularly for families suffering acute hardship through want of shelter, by taking over premises not previously utilized for multiple-housing and converting them to that purpose. It is the intention and expectation of the municipality that the accommodations thus provided will afford temporary shelter to its homeless families until other accommodations can be secured.

In view of the temporary and emergent nature of these projects and the anticipated turnover of tenants which may necessitate frequent re-allocation of space to accommodate families of varying sizes, it is desirable and expedient that the municipality be enabled to fix its own rentals for this type of emergency shelter and be enabled to terminate any lease made therefor in accordance with the rental arrangement made with the homeless family.

Now therefore, pursuant to authority conferred by The Wartime Leasehold Regulations, being Order in Council P.C. 9029, dated November 21, 1941, as amended, the Board hereby orders as follows:

1. For the purposes of this Order, the definition of any expression contained in Order No. 294 of the Board shall extend and apply to the same expression wherever used in this Order.

2. From and after September 24, 1946, the provisions of The Wartime Leasehold Regulations, being Order in Council P.C. 9029, dated November 21, 1941, as amended, and any Order of the Board made pursuant thereto, shall cease to apply to any housing accommodation situate in premises known as:

The General Engineering Premises, Scarborough, in the Province of Ontario;  
The Wartime Housing Limited Staff House, Long Branch, in the Province of Ontario;

The Winston Hall and the Men's Staff House, Malton, both in the Province of Ontario;

The Deaconess' Home, 135 St. Clair Avenue, West, Stanley Barracks, No. 202 Beverley Street, No. 439 Pacific Avenue, No. 129 Hazelton Avenue and No. 58 Grant Street, all in the City of Toronto and Province of Ontario;

so long as the Municipal Corporation of Toronto is the landlord thereof.

3. This Order shall come into force on the 24th day of September, 1946.

### Orders in Council

#### Order in Council setting up a Defence Research Organization in the Dept. of National Defence.

P.C. 4316

#### AT THE GOVERNMENT HOUSE AT OTTAWA

THURSDAY, the 17th day of October, 1946.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas the Minister of National Defence reports as follows:

- (a) Legislation will be presented at the next ensuing Session of Parliament to provide for the establishment of a Defence Research Board for the purpose of the economical and co-ordinated prosecution of scientific, technical and other research in fields pertaining to national defence and to assist the Armed Forces in research and development of new and improved weapons and equipment. Provision will be made in such legislation for:
- (1) The establishment of a Defence Research Board as a corporation responsible to the Minister of National Defence. To ensure the inter-Service character of the Board and to facilitate its close association with the work of National Research Council, the Board is to consist of the persons who hold the appointments of Director General of Defence Research, Chief of the Naval Staff, Chief of the General Staff, Chief of the Air Staff, the President of the National Research Council, and in addition, such number of other members as may be required who will be appointed by the Governor in Council.
  - (2) The Director General of Defence Research to be chief executive officer of the Board. The Board to report direct to the Minister of National Defence.
  - (3) The establishment of a pension fund and other pension or superannuation arrangements for the benefit of personnel employed by the Board who are not contributors under the Civil Service Superannuation Act, the Militia Pension Act, or the Royal Canadian Mounted Police Act.
  - (4) Financial arrangements of sufficient flexibility to permit block allotments of research funds and of forward commitment authority covering periods up to five years.
  - (5) Financial arrangements that will permit secrecy of commitments where such course is requisite to national security.
  - (6) Authority to make regulations subject to the approval of the Governor in Council.
  - (7) Authority to contract and pay for extra-mural research on defence matters with Government and other agencies.
  - (8) Authority to employ seconded personnel of the Armed Forces without jeopardizing their rights in respect of re-employment with the Armed Forces.
  - (9) Means to ensure the highest degree of secrecy in scientific operations vital to the national security.
  - (10) Authority for a special oath of fidelity and secrecy.
- (b) Pending the enactment of the proposed legislation it is considered that the duties of the Director General of Defence Research, who was appointed by Order in Council P.C. 1/7503 dated 28th December 1945, should be more clearly defined and a Defence Research organization authorized;

- (c) Inasmuch as the Defence Research Organization must operate on a completely Inter-Service basis and assume certain duties now performed by the Armed Forces, and will employ from time to time, seconded personnel of the Armed Forces; and inasmuch as its activities will require, in the national interest, the protection of the highest degree of security, the organization should be set up as an executive and administrative agency capable of undertaking research, and to a degree development work on behalf of the Armed Forces, conditioned by a similarity of pattern to the National Research Council and the Atomic Energy Control Board;
- (d) The specialized activities of the Defence Research organization and the interests of national security, will require special facilities for the selection and appointment of officials and employees and for their remuneration;
- (e) Funds for the operation of the Defence Research organization have been allotted in the 1946-47 Annual Estimates under the heading of "Demobilization and Reconversion, National Defence, Vote 571".

Therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of National Defence and under the provisions of the National Emergency Transitional Powers Act, 1945, is pleased to make and doth hereby make the Order annexed hereto as an interim measure to facilitate the early organization of the work of Defence Research.

His Excellency in Council is further pleased, hereby,—

- (a) to continue the appointment of Doctor Omond McKillop Solandt as Director General of Defence Research in a civilian capacity at a salary of \$10,000.00 per annum; and
- (b) to revoke Order in Council P.C. 1/7503, dated 28th December, 1945.

A. M. HILL,  
*Asst. Clerk of the Privy Council.*

2. (a) There shall be a Director General of Defence Research who shall be the chief executive of the Defence Research organization and shall have supervision over and direction of the work of the organization and of the personnel employed for the purpose of carrying on the work of the organization.
  - (b) The Director General of Defence Research shall be deemed to hold a rank equivalent to that of a Chief of Staff of the Armed Forces and shall be a member of the Defence Council and of the Chiefs of Staff Committee.
  - (c) The Director General may issue such orders or instructions not inconsistent with the provisions of this Order as are from time to time required in respect to his powers, duties and functions.

ORDER No. 664

### Labelling and Invoicing of Goods

For the convenience of trades and industries it is desirable to consolidate in one Order requirements respecting the labelling of some goods and the invoicing of those and other goods. Consequently it is desirable to replace by this Order, Board Orders Nos. 504 and 641, Administrator's Order No. A-1401, Section 9 of Administrator's Order No. A-2000 and Section 12 of Administrator's Order No. A-2041.

Therefore, under powers conferred by The Wartime Prices and Trade Regulations, Order in Council P.C. 8528 of November 1, 1941, as amended, the Board hereby orders as follows:

1. This Order shall come into force on November 1, 1946.
2. Orders Nos. 504 and 641 of the Board are hereby revoked.
3. For the purposes of this Order,

- (a) the number of his Board licence;
- (b) his line number for the garment; and
- (c) the size of the garment.

The manufacturer may, however, exhibit on such garment, label or tag his name, trade mark or trade name for that garment instead of his Board licence number if such trade mark or trade name is recorded with the Commodity Administrator together with particulars of the garment or garments to which it is applied.

Furthermore, at the request of a wholesaler or retailer, the manufacturer may substitute for his name, trade mark or trade name, the wholesaler's or retailer's name, trade mark or trade name for the specified garment if the trade mark or trade name so exhibited has been recorded by the wholesaler or retailer with the Commodity Administrator, together with particulars of the garment or garments to which it is applied, and if the manufacturer also exhibits his own Board license number.

5. (1) No person shall have in his possession for sale, display for sale, sell or offer to sell, or ship or deliver in pursuance of a sale, any specified garment unless the manufacturer's identifying marks required by Section 4 are exhibited on the garment or on a label or tag attached to it, without substitution or alteration.

(2) No person other than a consumer shall remove or alter any label or tag attached to any specified garment by the manufacturer or any identifying marks exhibited by the manufacturer on such label or tag or on the garment.

- and shall keep a duplicate or true copy of such invoice available for inspection by any representative of the Board.

If the seller of any specified textile goods other than specified garments does not show in his invoice the manufacturer's or importer's line number for the goods as permitted by clause (e) preceding, he must make and keep available for inspection by any representative of the Board a record showing the manufacturer's or importer's line number and his own line number for those goods.

Nothing in this Section shall be construed as dispensing with any additional information required by any other Order to be shown on an invoice.

*Buyers Must Obtain Invoices*

9. No person shall display for sale, sell or offer to sell, or ship or deliver in pursuance of a sale any goods other than perishable foods, unless he has previously received from his supplier an invoice for the goods in accordance with this Order. *Sales at Retail*

10. Every person who sells any goods at retail shall, at the request of the buyer, furnish the buyer with a sales slip showing the date of the sale, the seller's and buyer's name and address, a description of the goods, the exact quantity sold and the price charged therefor.

## PART III—RESTRICTIONS ON SALES OF FABRICS

Under powers given by the Wartime Prices and Trade Board to the Administrator of Meat and Meat Products, it is hereby ordered as follows:

1. This Order comes into force on October 21, 1946, and replaces Board Order No. 373 which has been revoked.

2. (1) Notwithstanding any other order, on a sale at wholesale of any hens' eggs (in the shell), dressed poultry, beef (other than barrelled beef), veal, lamb, pork product, sausage, sausage meat, or of any fancy meat or meat by-product to a person whose place of business is situated in an outlying area where, in order to withstand the perils of shipment and long storage, the above-mentioned products require special treatment, the seller may, with the written approval of the nearest Prices and Supply Representative of the Board, add to his lawful selling price the additional cost of any special container used by him or of any extra processing by him or of any extra packing by him, although such addition results in a selling price that exceeds the lawful maximum price on such sale, if he shows such addition as a separate item on his sales invoice to the buyer. The application for such approval must be in writing and accompanied by three copies of the proposed sales invoice.

(2) If the Prices and Supply Representative of the Board does not approve of any price set forth in the invoice mentioned in subsection (1) preceding, he shall forthwith notify the seller as to the amount of the approved price by returning to the seller one copy of the invoice on which the approved price has been duly inscribed, and the seller shall not invoice or sell at a price in excess of that approved price.

3. If a person selling a product at retail in an outlying area pays any additional amount charged by his supplier for a special container, for extra processing or for extra packing, as authorized under the provisions of this Order, he may include such amount in his cost when computing his lawful maximum price on sales at retail of that product in that outlying area.

## Board Order

## WARTIME PRICES AND TRADE BOARD

ORDER No. 665

## Use of Certain Non-ferrous Metals

The Board is charged with the duty of maintaining, so far as possible, adequate supplies of raw materials for the production of goods to meet Canadian requirements. The production of certain non-ferrous metals is not sufficient to meet all domestic and export requirements and the Board allocated tonnage of such metals at the Canadian ceiling prices for use in the production of goods to be used or consumed in Canada. Any quantity of such metals that is exported, whether in primary or secondary form or as a component part of fabricated goods, must be replaced by further allocation of primary metals to maintain the original allocations. As world prices for such metals greatly exceed Canadian ceiling prices and the above allocations prevent the producers of the primary metals from maintaining their equitable proportion of export trade, it is necessary that the producers be subsidized in regard to the further allocation made necessary by the exportation of non-ferrous metals in the above-mentioned various forms and that exporters of such metals in any such form be subject to payment of the amount of subsidy involved in exportations.

Therefore, under powers conferred by The Wartime Prices and Trade Regulations, Order in Council P.C. No. 8528 of November 1, 1941, as amended, the Board hereby orders as follows:

1. This Order shall come into force on November 1, 1946.

2. For the purposes of this Order,

- (a) "alloy" means any alloy or compound containing more than twenty-five per cent by weight of any one non-ferrous metal;
- (b) "mill product" means any product produced from any non-ferrous metal or metals by a rod, wire or brass mill in Canada;
- (c) "non-ferrous metal" means any of the following metals, whether in the form of primary metal, secondary metal, alloy or mill-product:
  - (i) copper;
  - (ii) lead;
  - (iii) zinc;
- (d) "primary metal" means a non-ferrous metal electrolytically refined in Canada or prime western zinc produced in Canada;
- (e) "secondary metal" means scrap or reclaimed non-ferrous metal.

3. Every producer of primary metal named in Schedule "A" is hereby authorized to contract with any buyer named in Schedule "B" to this Order for payment by the buyer to the producer of a premium on any non-ferrous metal exported by the buyer or contained in any goods exported by the buyer, which premium shall be reasonable having regard to world prices for such metal.

4. Every producer of primary metal who contracts as authorized by Section 3 shall

- (a) forthwith after making such a contract, forward a report to the Administrator of Non-Ferrous Metals, in a form prescribed by such Administrator, showing all particulars required by such form, and

- (b) at the end of each calendar month, forward to such Administrator a statement showing (i) the names of all buyers who in that month paid to the producer any sum in respect of any metal under a contract referred to in Section 3, (ii) the quantity of each metal represented by each such sum and (iii) the amount per pound of each such metal paid in excess of the producer's Canadian maximum price therefor.

5. To facilitate the supply of primary metals for use in production of goods for use or consumption in Canada, a subsidy has been granted by Commodity Prices Stabilization Corporation, Ltd., under direction of the Board, to producers of primary metals in respect of the quantity thereof which it is necessary for such producers to supply to the Canadian market to equalize the quantity of non-ferrous metals exported as such or as a component part of any goods named in Schedule "C" to this Order by persons other than those named in Schedule "B".

Accordingly, by notice published in *Statutory Orders and Regulations* by Commodity Prices Stabilization Corporation, Ltd., pursuant to the Repayment of Subsidy Order, being Order in Council P.C. 5518 of July 16, 1943, as amended, the following have been designated as subsidized goods on being exported;

- (a) non-ferrous metals, and
- (b) all goods named in Schedule "C" to this Order, and the provisions of the Repayment of Subsidy Order apply to such goods. (See the footnote below for some of those provisions.)

6. Except by complying with the provisions of the said Repayment of Subsidy Order, every person shall

- (a) in the production of any goods named in Schedule "C" to this Order, restrict his use of any non-ferrous metal to goods produced for use or consumption in Canada, and
- (b) restrict his sales of such goods to sales for use or consumption in Canada.

Made at Ottawa, this 23rd day of October, 1946.

D. GORDON,  
*Chairman.*

NOTE.—The above-mentioned Repayment of Subsidy Order provides in part as follows:

- "4. (1) Every person shall, before he exports any subsidized goods from Canada, repay the subsidy involved in such goods by paying to the corporation an amount which is determined by the corporation to be equal thereto; and no person shall export any subsidized goods from Canada until such amount has been paid to the corporation.
- (4) Every amount payable under this section shall be determined by the corporation, either by specific determination or by specifying the method of calculation, and every such determination shall be conclusive for all the purposes of this order.
- (5) Notice of any determination under this section published in *Canadian War Orders and Regulations* shall be evidence of such determination.
- (6) The corporation may, in its discretion and on such terms and conditions as it may specify, vary the time within which payment required under this order must be made, in which case payment shall be made within such time and in accordance with such terms and conditions.
- 8. (1) Every person who contravenes any of the provisions of this order is guilty of an offence and liable on summary conviction to a fine not exceeding five thousand dollars or to imprisonment for a term not exceeding two years or to both such fine and such imprisonment.
- (2) Every person is a party to and guilty of an offence under this order who
  - (a) actually commits it;
  - (b) does or omits an act for aiding any person to commit the offence;
  - (c) abets any person in the commission of the offence; or
  - (d) counsels or procures any person to commit the offence.

- (3) If a corporation is guilty of an offence under these regulations, any officer or director of the corporation who assented to or acquiesced in the commission of the offence is a party to and guilty of the offence."

- (b) by deleting the words “at wholesale” wherever they appear in Clause (f) of that Section and substituting therefor the words “otherwise than at retail”.

4. Section 3 of said Order is amended by deleting clause (a) of that section and re-lettering clauses (b), (c) and (d) as (a), (b) and (c) respectively.

5. Subsection (2) of Section 8 of said Order is revoked and replaced by the following:

- “(2) For the purposes of this Section, the “lawful maximum price” referred to in clause (a) of subsection (1) of this Section shall be deemed to be the actual price paid for the goods by the retailer unless he has in his possession, available for inspection by any representative of the Board, a declaration in writing, signed by his supplier of the goods, in the form prescribed in Section 12A, showing such “lawful maximum price”, in which case he shall produce such declaration at any time to any such representative.”

*“Specified Imported Goods Acquired from Canadian Retailers*

8A. # WARTIME PRICES AND TRADE BOARD

ADMINISTRATOR'S ORDER No. A-2161

## Prices of Certain Coal Produced in the Vancouver Island District of the Province of British Columbia

Under powers given by the Wartime Prices and Trade Board to the Coal Administrator, it is hereby ordered as follows:

1. This Order shall come into effect on November 1, 1946, subject, however, to the retroactive provisions of Sections 3 and 4.
2. For the purposes of this Order,
  - (a) "coal" means coal produced from mines in the Vancouver Island District of the Province of British Columbia;
  - (b) "coal dealer" means any person who purchases and sells coal directly to the consumer by retail sale.
3. The coal mine operator mentioned in the Schedule to this Order, for the respective grades of coal which it produces, may, notwithstanding the effective date of this Order and subject to the provisions of Section 6, charge an amount not exceeding one dollar and fifty cents (\$1.50) per net ton for
  - (a) all coal shipped on and after October 1, 1946, except that coal of grades other than slack or run of mine sold for delivery to a coal dealer;
  - (b) all coal of grades other than slack or run of mine shipped to a coal dealer on and after October 21, 1946.

Such amount shall be in addition to the prices, not exceeding the highest lawful prices, stipulated in any existing contract between the parties concerned, or if there be no contract, then in addition to the highest lawful price at which the vendor would have been entitled to sell such coal immediately prior to this Section becoming effective.

4. Any coal dealer or other distributor selling coal produced by the coal mine operator mentioned in the Schedule to this Order, may charge so much of any increase authorized by or under authority of Section 3 of this Order as is actually charged to such seller. All such increases shall be in addition to the prices, not exceeding the highest lawful prices, stipulated in any existing contract between the parties concerned, or if there be no such contract, then in addition to the highest lawful price at which the vendor could have sold such coal immediately prior to Section 3 of this Order becoming effective. In no event shall any markup be added by any person in respect of the increases herein authorized.

5. All contracts made prior to November 1, 1946 for the sale of coal which is affected by this Order, which contracts provide for the delivery of coal on and after October 1, 1946, shall be deemed to be amended insofar as is necessary to give effect to the provisions of this Order.

6. The amount of any increase in the price of coal authorized by or under this Order shall be subject to review at any time by the Coal Administrator, generally or in specific cases.

7. Every seller of coal affected by this Order shall forthwith post up and maintain in a conspicuous place in each office and sales depot, open to his customers, a notice of the price increases now or hereafter authorized under this Order.

ORDER No. 668

**Emergency Housing Accommodations provided by the Municipal Corporation of the City of Hamilton**

The Municipal Corporation of the City of Hamilton has made arrangements for the public welfare of its citizens and particularly for families suffering acute hardship through want of shelter, by taking over premises not previously utilized for multiple-housing and converting them to that purpose. It is the intention and expectation of the municipality that the accommodations thus provided will afford temporary shelter to its homeless families until other accommodations can be secured.

In view of the temporary and emergent nature of these projects and the anticipated turnover of tenants which may necessitate frequent re-allocation of space to accommodate families of varying sizes, it is desirable and expedient that the municipality be enabled to fix its own rentals for this type of emergency shelter and be enabled to terminate any lease made therefor in accordance with the rentals arrangement made with the homeless family.

Now therefore, pursuant to authority conferred by the Wartime Leasehold Regulations, being Order in Council P.C. 9029, dated November 21, 1941, as amended, the Board hereby orders as follows:

1. For the purposes of this Order, the definition of any expression contained in Order No. 294 of the Board shall extend and apply to the same expression wherever used in this Order.

2. From and after November 8, 1946, the provisions of the Wartime Leasehold Regulations, being Order in Council P.C. 9029, dated November 21, 1941, as amended, and any Order of the Board made pursuant thereto, shall cease to apply to any housing accommodation situate in premises known as Nos. 31 to 42, former other ranks quarters buildings at the Canadian Army Trade School in Hamilton, Ontario, so long as the Municipal Corporation of Hamilton is the landlord thereof.

3. This Order shall come into force on the 8th day of November, 1946.

Made at Ottawa this 8th day of November, 1946.

*Chairman.*

**Order in Council prohibiting export of sheathing and building papers, asbestos building products, etc., except under permit**

P.C. 4726

AT THE GOVERNMENT HOUSE AT OTTAWA

THURSDAY, the 14th day of November, 1946.

PRESENT

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas by Order in Council, P.C. 3398 of August 9, 1946, the exportation from Canada of certain articles is prohibited except under permit issued by or on behalf of the Minister of Trade and Commerce;

And whereas the Wartime Prices and Trade Board advise that, in order to conserve supplies essential to the domestic housing program, it is desirable that the exportation of certain Building and Roofing Products be similarly prohibited, except under permit;

Therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Trade and Commerce, and under and by virtue of the National Emergency Transitional Powers Act, 1945, is pleased to order as follows:

1. The exportation of the following commodities is hereby prohibited, except under permit issued by or on behalf of the Minister of Trade and Commerce;

*Group 4—Wood, Wood Products and Paper*

Sheathing and building papers, dry, saturated or laminated, over \$25.

*Group 7—Non-Metallic Minerals and Their Products*

Asbestos building products, n.o.p., over \$25.

Asphalt or tar roofing and siding products, floor tile and shingles, over \$25.

2. The Schedule to the said Order in Council (P.C. 3398 of August 9, 1946), is hereby amended by the addition thereto of the above commodities.

3. This Order shall come into force and have effect on and after the twentieth day of November, one thousand nine hundred and forty-six.

A. D. P. HEENEY,

*Clerk of the Privy Council.*

**Order in Council removing concentrated whole milk products and white and yellow eye beans from list of products designated as subsidized goods**

P.C. 4727

AT THE GOVERNMENT HOUSE AT OTTAWA

THURSDAY, the 14th day of November, 1946.

PRESENT

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas by the Repayment of Subsidy (Agricultural Products) Regulations (P.C. 6759 of November 6, 1945) concentrated whole milk products and white beans or yellow eye beans were designated as subsidized goods;

And whereas the said regulations provide for the repayment of subsidy involved in such goods on being exported or sold for ships' stores;

And whereas the producers' subsidy on concentrated milk products was discontinued September 30, 1946 and no subsidy is being paid to producers of the 1946 crop of white beans or yellow eye beans;

And whereas in practice export shipments and sales to ships' stores on and after October 1 will be made from unsubsidized goods if repayment of the subsidy is required;

And whereas requests have been received in the Department of Agriculture from manufacturers of concentrated whole milk products for a refund of the subsidy which was paid in advance to the Receiver General on goods for which export permit has been granted but which were not exported on October 1 and which they now intend to fill out of current production;

And whereas on September 15, 1946, practically all beans of the 1945 crop had been marketed and beans of the 1946 crop at that time were entering commercial channels of trade;

And whereas it would be difficult to determine the subsidy content in the value of the products and the cost of collection would be excessive relative to the subsidy repayable;

Therefore His Excellency the Governor General in Council, on the recommendation of the Acting Minister of Agriculture and under the provisions of the National Emergency Transitional Powers Act, 1945, is pleased to order as follows:

1. Effective October 1, 1946 concentrated whole milk products and effective September 15, 1946 white beans and yellow eye beans are removed from the list of products designated as subsidized goods, in Regulation 2 (b) of the said P.C. 6759.
2. The subsidy paid to the Receiver General on concentrated whole milk products not exported or sold to ships' stores at October 1, 1946 and the subsidy recovered for white beans and yellow eye beans not exported or sold for ships' stores at September 15, 1946 shall be refunded to the payers.
3. This order shall not apply to concentrated whole milk products under government contract for sale to Belgium and France in which parties to the contract have agreed that subsidy shall be included in the price.

A. D. P. HEENEY,

*Clerk of the Privy Council.*

P.C. 4728

AT THE GOVERNMENT HOUSE AT OTTAWA

THURSDAY, the 14th day of November, 1946.

PRESENT

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas the Minister of Reconstruction and Supply recommends the revocation of Order in Council P.C. 7191 of September 12, 1941, which prohibited the purchase of natural rubber from any person except the Crown Company now known as Polymer Corporation Limited, and the following amendments thereto:

## PART I

### Orders in Council

Order in Council revoking certain Orders in Council passed under the War Measures Act *re* customs duty and taxes on imported goods

P.C. 4829

AT THE GOVERNMENT HOUSE AT ATTAWA

THURSDAY, the 21st day of November, 1946.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas the Minister of Finance reports that the twenty-two Orders in Council listed below number almost 40 p.c. of those still in effect which were passed under the authority of the War Measures Act for the purpose of eliminating or reducing customs duties and taxes on imported goods;

That it was necessary to invoke the authority of the War Measures Act to exempt imports of the goods specified in these twenty-two Orders in Council from the war exchange tax of 10 p.c. *ad valorem* and the 3 p.c. special excise tax;

That the war exchange tax of 10 p.c. *ad valorem* was rescinded by an amendment to The Special War Revenue Act, effective October 30, 1945, and that in most cases it is unnecessary to continue exemption from the 3 p.c. special excise tax in regard to the goods described below due to the fact that there will probably be no imports of such goods from countries subject to General Tariff treatment;

That the reductions or eliminations of customs duty authorized under these twenty-two Orders in Council will be continued during the period December 1, 1946, to December 31, 1947, under the authority of paragraphs (k) and (m) of Section 284 of the Customs Act, the Section empowering the Governor in Council to reduce or eliminate customs duty on materials for use in Canadian manufactures;

Therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Finance and under the authority of the National Emergency Transitional Powers Act, 1945, is pleased to revoke the following Orders in Council passed under the authority of the War Measures Act and they are hereby revoked, effective December 1, 1946:

Order in Council directing the transfer of \$12,000,000 from the 1945 to the 1944 crop account of the Canadian Wheat Board

P.C. 4869

AT THE GOVERNMENT HOUSE AT OTTAWA

TUESDAY, the 26th day of November, 1946.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas Section 9 of Order in Council P.C. 1116 of the 20th day of February, 1945, provides that "All Class II Wheat sold by the Board to flour millers and dealers to fill domestic requirements shall be drawn from the 1943 crop account of the Board until the 31st day of July, 1945, and thereafter from the 1944 crop account of the Board";

And whereas all wheat required by flour millers and dealers to fill domestic requirements of the crop year commencing on the 1st day of August, 1946, is being supplied out of the 1946 crop account of the Board;

And whereas The Canadian Wheat Board estimates that in the crop year commencing on the 1st day of August, 1945, sales to flour millers and dealers to fill domestic requirements amounted to approximately eighty million bushels of wheat from the 1944 crop account of the Board at an estimated amount of thirty cents per bushel less than the price received for sales of wheat for export, taking into account carrying charges, interest and all other expenses incidental to the said wheat;

And whereas The Canadian Wheat Board reports that no sales of wheat have been made to flour millers or dealers for domestic consumption from the 1945 crop account of the Board;

And whereas it is deemed advisable and necessary for the purpose of maintaining, controlling and regulating supplies, the use and occupation of property, salaries and wages to ensure economic stability and an orderly transition to the conditions of peace and continuing in an orderly manner measures adopted during or by reason of the war, that the provision of wheat for domestic purposes be more equitably divided between the 1944 and 1945 crop accounts and that, to accomplish this purpose one-half of the sales of 1944 crop wheat to fill domestic requirements be attributed to the 1945 crop and to that end to transfer twelve million dollars from the 1945 crop account to the 1944 crop account;

Therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Trade and Commerce, and under and by virtue of the powers conferred by the National Emergency Transitional Powers Act, 1945, is pleased to order and doth hereby order and direct The Canadian Wheat Board to transfer from the 1945 crop account of the Board to the 1944 crop account aforesaid, the sum of twelve million dollars.

### Wartime Prices and Trade Board

## GOVERNMENT NOTICE

### WARTIME PRICES AND TRADE BOARD

#### Statement of Policy on Subsidies on Imported Textiles

Under the terms of the Statement of Policy on Import Subsidies, effective July 8, 1946, the Commodity Prices Stabilization Corporation Limited is charged with the duty of paying import subsidies only to the extent that prices paid by importers in foreign markets are considered to be not excessive. The Corporation, under the terms of Section 6 (e) of the Statement of Policy, is required to reduce subsidy claims appropriately in any case where the purchase price is in excess of the going market prices at the time of purchase.

Until recently, the existence of OPA ceilings in the United States provided a satisfactory check on the reasonableness of the prices paid by importers from that country. Since the removal of price control in the United States, it has become very difficult to judge whether prices paid in that country are fair and reasonable, in view of current market conditions. Some guide as to what constitutes a fair market price has therefore become necessary if supply of essential fabrics is not to be disturbed owing to the uncertainty of importers as to the status of their purchase prices with respect to claiming import subsidies.

Accordingly, special arrangements have been made for importers of textile products to obtain prior approval of their purchase prices where import subsidy claims will be made. The arrangements described below will ensure that importers may have advance notification as to the status of their purchase price and will also ensure that import subsidies are only paid to the extent necessary to ensure a supply from the American market. This arrangement is designed to avoid applications for subsidy to the C.P.S.C. Ltd. based on unreasonably high purchase prices but it is not intended to obstruct the obtaining of necessary supplies. Purchases of reasonable amounts of fabrics at going market prices will not be hindered. As an extra measure of protection, however, a record of all importations of subsidized fabrics is being kept to ensure that import subsidy is paid only to the extent necessary to allow an adequate supply of essential materials at Canadian ceiling prices.

#### *Details of Procedure:*

1. The new arrangements for prior approval of purchase price which become effective November 28, 1946, apply only in the case of importations of cotton yarns and fabrics and rayon fabrics. Satisfactory arrangements for control of import subsidies on rayon yarns are already in existence.

2. Except in the case of cotton yarns, importers will obtain prior approval either from the New York office of the Corporation, which has been established for the purpose at 30 Rockefeller Plaza, Room 5118, telephone Circle 7-7630, or from the office of the Cotton Administration or the Rayon Administration, whichever is more convenient. In the case of cotton yarns, importers will apply for approval of their proposed purchase prices to the Cotton Administration. Approval will be given by telephone if required, and will be confirmed to the applicant on Form C28. The approval will apply only to the specific purchase for which it is given and may not be extended by the importer to further purchases or additional quantities.

3. From time to time the Corporation will fix a percentage of the laid down cost of any rayon fabric or cotton yarn or fabric, and the amount so determined will be the maximum rate of subsidy payable unless the importer has obtained prior approval

of the purchase price in accordance with the above arrangements. It may be necessary to vary the percentages established from time to time as a result of fluctuations in the general level of U.S. prices for cotton and rayon yarns and fabrics. In addition to public notice of the percentage figures so established being given in *Statutory Orders and Regulations*, general press releases will be issued for the information of the trade in each instance. It should be noted that even where prior approval of the purchase price is not required, the Corporation will not accept for subsidy purposes any purchase price which is out of line with going market prices at the time of purchase.

4. When making application for subsidy, the importer must show on his application the approval number of the relative form C28 in any case where approval is required under the terms of Section 3 above.

NOTE: Approval of the purchase price by the Corporation's New York office or by the offices of the Cotton Administration or of the Rayon Administration will not constitute certification of the eligibility of the particular purchase of yarn or fabric for import subsidy nor any undertaking other than an assurance that the purchase price is agreed in advance as acceptable for subsidy purposes.

Dated at Ottawa, this 25th day of November, 1946.

D. GORDON,  
*Chairman.*

Markings stamped on or affixed by the manufacturer may however indicate his own brand or that of any customer, but if a customer's brand is indicated, the manufacturer's W.P.T.B. licence number must also be marked as required by Board Order No. 664.

4. No manufacturer shall sell or supply nylon hosiery to any person unless each stocking bears the word "NYLON" and unless, in the case of "full fashioned", the gauge, or, in the case of "bareleg", the number of needles employed, is legibly marked on each stocking in such manner and place that the word "NYLON" and the gauge or needles are clearly and readily visible to a buyer or a prospective buyer.

No manufacturer shall sell or supply to any person full fashioned or bareleg nylon hosiery not of first quality unless each stocking is legibly marked with the word "SUBSTANDARD" or "IRREGULAR" or "SECONDS" or "THIRDS", as the case may be, in such manner and place that the mark is clearly and readily visible to a buyer or prospective buyer.

6. The provisions of Sections 3 to 5, inclusive, shall be subject to such written exemptions the Administrator of Knit Goods, upon written application, may grant in individual cases of undue hardship or other special circumstance.

7. No person who sells nylon hosiery at wholesale or retail shall,

ORDER No. 672

#### **Emergency Housing Accommodations provided by the Municipal Corporation of the City of Belleville**

The Municipal Corporation of the City of Belleville has made arrangements for the public welfare of its citizens and particularly for families suffering acute hardship through want of shelter, by taking over premises not previously utilized for multiple-housing and converting them to that purpose. It is the intention and expectation of the municipality that the accommodations thus provided will afford temporary shelter to its homeless families until other accommodations can be secured.

In view of the temporary and emergent nature of these projects and the anticipated turnover of tenants which may necessitate frequent re-allocation of space to accommodate families of varying sizes, it is desirable and expedient that the municipality be enabled to fix its own rentals for this type of emergency shelter and be enabled to terminate any lease made therefor in accordance with the rentals arrangement made with the homeless family.

Now therefore, pursuant to authority conferred by the Wartime Leasehold Regulations, being Order in Council P.C. 9029, dated November 21, 1941, as amended, the Board hereby orders as follows:

1. For the purposes of this Order, the definition of any expression contained in Order No. 294 of the Board shall extend and apply to the same expression wherever used in this Order.

2. From and after November 20, 1946, the provisions of the Wartime Leasehold Regulations, being Order in Council P.C. 9029, dated November 21, 1941, as amended, and any Order of the Board made pursuant thereto, shall cease to apply to any housing accommodation situate in the Police Station and City Hall Auditorium, both in the City of Belleville and Province of Ontario, so long as the Municipal Corporation of Belleville is the landlord thereof.

3. This Order shall come into force on the 20th day of November, 1946.

### Prices of Coal Produced in the Vancouver Island District of British Columbia

Whereas an increase in the transportation charges for towing on the Pacific Coast has been authorized;

And whereas this increase in transportation charges will cause an increase in the cost of delivering by water, coal mined on Vancouver Island, and the collieries have demonstrated an inability to absorb such increase and maintain existing ceiling prices;

Now, therefore, under powers given by the Wartime Prices and Trade Board to the Coal Administrator, it is hereby ordered as follows:

3. Any dealer or other distributor selling coal, as defined in Section 1 above, may charge for all coal supplied by him to any buyer on and after October 25, 1946, so much of the increase authorized by Section 2 as is actually charged to him for that coal. The increase in price herein authorized shall be in addition to the prices, not exceeding the highest lawful prices in effect on October 24, 1946, stipulated in any contract existing on that date between the parties concerned, or if there be no contract, then in addition to the highest lawful price at which the vendor was entitled to sell such coal on October 24, 1946. In no event shall any markup be added by any person in respect of any increase herein authorized.
